Service Letter

SL: 40008
Date: 17 August 2009
Product: Compressors
Subject: Foam Sheets For Out Of Production Compressors

Due to inventory and supply issues, Doosan Infracore has decided to cease the delivery of individually cut foam panels for all machines which are not current production. Instead we will supply 4 types of foam panels which can be cut to the required size.

NOTE: For compressors which are in current production, Doosan Infracore will continue to supply the individual foam panels as published in the Parts Manual.
