EXTENDED LIMITED AIR END WARRANTY

The standard airend warranty for Portable Compressors is the earlier of 24 months from shipment to, or the accumulation of 4,000 hours of service by the initial user. Ingersoll-Rand Portable Power provides an optional extended limited air end warranty for the earlier of 60 months from shipment to, or the accumulation of 10,000 hours of service when certain conditions are met. The warranty against defects will include replacement of the complete Airend, provided the original Airend is returned assembled and unopened.

The optional warranty is limited to defects in major components (rotors, housings and bearings), and is automatically available when the following three conditions are met:

1. The original airend is returned assembled and unopened.
2. Submissions of proof that Ingersoll-Rand fluid, filters and separators have been used. Refer to the Operation and Parts manual for the correct fluids, filters and separator elements required.
3. Submission of proof that maintenance intervals have been followed.
