## Cummins & John Deere Mobile Apps for Android & Apple devices

### CUMMINS QuickServe Online Mobile App

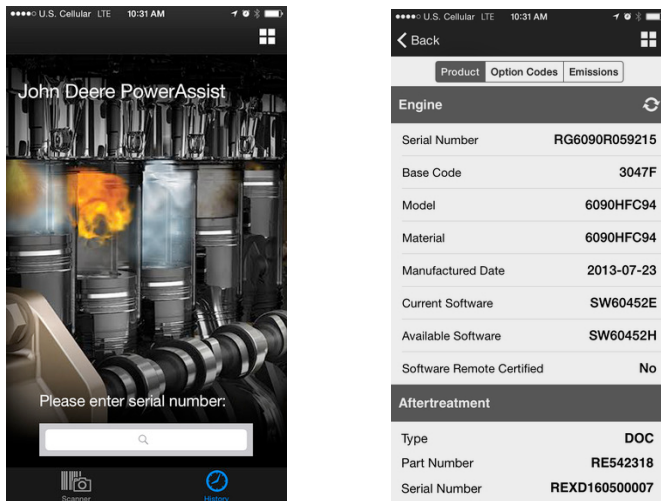

For Android devices → access the Google Play store and search for “Cummins Quickserve Mobile”

For Apple devices → access the Apple App Store and search for “QuickServeMobile”

Once you enter an engine serial number, you will have access to the:

- Engine Dataplate information
- Parts Catalog for your specific engine
- Fault Code Analyzer (for electronic engines)

## JOHN DEERE Power Assist

For Android devices → access the Google Play store and search for “John Deere PowerAssist”

For Apple devices → access the Apple App Store and search for “John Deere PowerAssist”

John Deere PowerAssist™ provides serial specific information for your John Deere engine. Enter the serial number to find; engine and aftertreatment information, date of manufacture, option codes, engine model, emissions certificates, manuals, catalogs, current/available software and more!
